Our Pledge to You

It is our mission to support and advise students in understanding their financial obligations to the University of Richmond by employing patience and effective communication.

The Bursar’s Office is dedicated to the development, education, and success of our students by:

- providing exceptional service
- maintaining accuracy of accounts
- being responsive to their needs
- encouraging their development into financially responsible adults

It is our pledge to serve with respect, honesty and compassion in a professional and individualized manner.
A NOTE TO NEW SPIDERS
(And their parents)

Welcome to our web!

It is finally here! High School is now a memory and you are college bound! You have worked hard for many years to accomplish this goal, a goal that has prepared you for this new chapter in your life. In this next chapter, there will be a lot of “NEWS,” new excitement, new friends, new experiences and new responsibilities. Yes, that’s right, now the responsibilities really begin. There will most likely be some “news” that you have never had to consider. It is important that you understand that college is a very different place from high school. Your parents, while still very important in your lives, are not in charge of your college life, and that includes your money. While most parents will help pay for their children’s college education, it is ultimately YOUR responsibility to make sure that your finances are in order. YOU will receive the invoices, and YOU must make sure that they are paid. Do not expect your parents to ask you what needs to be paid.

We want you to:

- Be proactive
- Be aware
- Be responsible for and learn about your finances
- Become accountable to self and society

And also:

- Be assured that we are here to assist you....

Because....... not all of your college education will be learned in the classroom!
About Your Invoices

Now that we have established that the account is ultimately the responsibility of and belongs to the student, we still recognize that parents are the primary source of payment for college tuition and other charges.

Our policy is to provide the invoices to the students electronically through QuikPay, our on-line invoicing system.

Students will receive notification of new invoices through their University email address and will access account information via BannerWeb.

Parents cannot access invoices through BannerWeb

Parents will access invoices using QuikPay if the student has added them to their student account as an Authorized Payer. Once set up, an Authorized Payer will receive the same email notification of the current invoice that the student receives and view the invoice through the parent portal.

Please note:

- Failure to review and acknowledge the electronic invoice does not relieve responsibility for timely payments.
- The Student Accounts Office is prohibited from discussing your account with anyone that is not listed as an Authorized Payer or without a student signed FERPA waiver.
Questions about Charges?

The Office of Student Accounts cannot remove charges assessed by another department. If you have a question regarding a departmental charge, you must contact the issuing department.

IMPORTANT DUE DATES

For your financial planning and scheduling:

**FALL INVOICES** are emailed during the first week in July, and the *due date for payment is the 1st Monday in August.*

**SPRING INVOICES** are emailed the first week in November, and *the due date for payment is the 1st Monday in December.*

**SUMMER TERMS** Payment for all charges is *due no later than the first day of each individual summer term even if you have not received an invoice.*

For students registering after the due date for any term, payment is due upon registration.

**Miscellaneous charges are invoiced monthly and** the due date for any amount owed is indicated on the invoice. The invoice will also indicate any activity (payments received, etc.) on the student account since the previous month. While not exact, it is our intention to email invoices on the 1st Wednesday of each month. Please ensure that payment is received on time as requested.

**ADJUSTMENTS ON ACCOUNTS**

Students are required to monitor their account balances by accessing their online account to view any adjustments. *Payment in full, including adjustments, is required by the due date on the original invoice.*
INVOICING

Electronic invoices are the exclusive billing method for the University of Richmond. Paper invoices are not mailed to students. Students can print their QuikPay statement if needed by clicking on “Download PDF” found on the View and Pay Account page.

If you are a student and wish to view and/or pay your invoice online, please go to https://bannerweb.richmond.edu and log in. Upon log in, click the Student Services link and select “Pay Tuition and Fees”. This is QuikPay. Select “View & Pay Account” to access invoice details and the payment screen.

AUTHORIZING PARENTS TO RECEIVE INVOICE

If you would like someone else to receive or pay your invoice (i.e. parents), YOU must set the person up as an “Authorized Payer” in QuikPay.

How to Set Up an Authorized Payer

Go to: https://bannerweb.richmond.edu and log in. Upon log in:
*select Student Services *select “Pay Tuition and Fees”
*select “Authorize Payers” (on the navigation bar on the left side of the screen)

Complete the requested information to create a user name and temporary password for each authorized payer. (The temporary password must be changed by the authorized payer when he or she first logs in to the site.) Authorized payers will then receive an automated email notification with the login name informing them that they have been authorized. You must provide the temporary password to the authorized payer.
If you are a parent/guardian/authorized payer and want to view or pay your student’s invoice, please go to: https://quikpayasp.com/richmond/studenttuitionaccount/authorized.do
*(making this link a “favorite” or “bookmarking” this site will make it easy to check the account at any time)*
Logging in will bring you to QuikPay. Select “View & Pay Account” to access invoice details, current activity, and the payment screen.

If the parent/guardian/authorized payer has a change in email address, the student will have to make the change in QuikPay.
QUIKPAY CHECKLIST & GUIDE

Students should become familiar with our online invoicing system to ensure they receive the full benefit of QuikPay services.

1. **Students**: Log into QuikPAY directly from Bannerweb.
   Enter your NetID and password, select the “Student Services” tab, and click on the “Pay Tuition and Fees” option.

2. **Check the Message Board** for important announcements/deadlines/instructions.

3. Click on the link **“Invoice Details”** to view the most recent invoice. Check the “payment due date” listed on the invoice; make sure to remit payment no later than the date listed to avoid holds and late fees.

4. **Select the “Authorize Payers” option** from the menu (on the left) to provide parents or other third parties with the ability to view and pay the invoice via their own login and password. Students may assign access to multiple individuals—this option is especially valuable for those families sharing payment responsibility. “Authorized Payers” receive an email via the address designated by their student notifying them that a new electronic invoice is now available.

5. **Click on the “Make Payment” button** located on “View and Pay Accounts” page to pay your balance quickly and securely. A payment made using your checking account information is free of charge, however if using a MasterCard, VISA, Discover, or American Express, you will be charged a 2.75% service fee.

6. **To view older Invoices**: Click on the Invoice History tab. Then click on the Billing Date (left-hand column) by the date of the invoice you want to view.

by clicking on **“Download PDF”** found on the View and Pay Account page.

- The Fall term (4) July 1 - October 1
- The Spring Term (5) November 1 – March 1
- The Spring Term (4) December 1 – March 1

*Because invoices for fall are not sent until July, you may need to estimate your contract and adjust later if necessary.*
TUITION PAYMENT PLAN USERS

Nelnet Campus Commerce will mail information to returning students in April of each year. Incoming freshmen are notified in May.

To determine the amount of your contract, please refer to the fee schedule at: http://controller.richmond.edu/tuition/index.html

PAYMENT PLAN REMINDERS

If you have elected to participate in the monthly installment plan through Nelnet Campus Commerce/TMS, please remember:

• Payments made from June/July to October must satisfy the fall term balance. Payments made from November/December to March must satisfy the spring term balance.
• Your contract requires that your payments be received by the first day of each month.
• You will continue to receive monthly invoices from the University’s Bursars office. It is very important that you open and view your UR invoice each month.

Your UR invoice will reflect:

* monthly payments received
* anticipated payments based on your contract
* any additional amount owed—If your UR invoice indicates an amount due that will not be satisfied by your monthly payments, please pay the amount indicated directly to the University by the due date on the invoice.

Need to adjust your Payment Plan contract?

Over or under estimating your payment plan is a common occurrence. Your payment amounts can easily be adjusted, but you must request any changes. CONTRACT ADJUSTMENTS ARE NOT AUTOMATIC. Nelnet Campus Commerce payment plan does not have access to your University of Richmond account. Are only aware of our basic costs and not what your individual tuition invoice is for the semester.

STUDENT ACCOUNTS & FINANCIAL AID

While the Student Accounts Office and the Financial Aid Office often work in concert, they are two separate offices with very different functions. Please do not assume that each office is aware of issues the other may be involved with and communicate with both!

*The Student Accounts Office* is responsible for producing invoices for charges assessed to the Student Account as well as processing payments received. Additionally, the Student Accounts Office monitors these accounts to ensure timely payment, placing holds and applying late fees to delinquent accounts.

ACCOUNT HOLDS/UR POLICY

FINANCIAL HOLDS

Any charges unpaid by the due date on the current statement will result in a hold on your account and prevent registration or transcript activity. The hold will remain on the account until payment is received.

*The Financial Aid Office* function is to assist you with obtaining funding for your education when needed. It is incumbent upon the student to ensure that all of the requirements for financial aid are complete prior to the start of the fall term. Timely completion of these requirements will permit your funding to be disbursed on the first day of class and eliminate the risk of a hold or late fee on your account.
FINANCIAL AID ON YOUR INVOICE

Financial Aid packages need to be in place PRIORITY the beginning of the term. Please ensure that you have *completed the entire financial aid application, *promissory notes are properly signed and *students have completed the required Entrance Counseling. Funds will not disburse until these requirements are satisfied.

Financial aid awards and Federal Direct Loans will appear as pending aid on your invoice once you have accepted your award package online via bannerweb.

First time borrowers only – must complete entrance counseling and sign your Master Promissory Note electronically at studentloans.gov.

Your invoice will include any pending financial aid transactions when calculating the balance, you need to pay.

Financial aid is disbursed to your account on the first day of the term if you have completed all required applications and provided all required documentation and information.

Federal Work-Study is not credited to the account as it is paid directly to the student based on the number of hours worked and can be used for incidental/personal expenses.

Do not wait until you arrive on campus to start the process for loans or other financial assistance. The Office of Student Accounts will apply holds and late fees to unpaid accounts.

Tax extensions from the IRS are not compatible with University due dates. A student’s account will need to be paid by the due dates on your invoice. Refunds will be issued should you later qualify for financial assistance.

FOR QUESTIONS REGARDING YOUR FINANCIAL AID, PLEASE CALL THE FINANCIAL AID OFFICE AT 804-289-8438 or email: finaid@richmond.edu

Withdrawal/Refunds/Tuition Insurance

While it is not common for students to leave mid-semester because of a serious illness or injury, unfortunately there are times when it is unavoidable. **It is important to note, depending on the date of withdrawal, the financial aspect may be unfavorable.** As outlined in the Tuition Refund Policy on page 18, a percentage of the tuition cost is refunded up to the 6th week. **After the 6th week of the term, there is no refund for withdrawal.**

Because we feel that your college is an investment worth protecting, the University of Richmond has partnered with GradGuard to offer tuition insurance from Allianz Global Assistance. **While this is an optional service offered to our families, the University feels that it is our responsibility to provide you with as much information as possible to assist you in making an informed decision.** **GradGuard Tuition Protection Plan** acts as an extension of the University’s refund policy—securing reimbursement for your tuition, housing and meal charges, and other nonrefundable expenses if you withdraw for a covered reason at any time during the semester. **Tuition Insurance** is available to all Undergraduate, Law/MBA and School of Continuing Studies students through **GradGuard Tuition Insurance.**

To get a quote or learn more about tuition insurance, call GradGuard at 1-866-724-4384 or visit their website: [www.GradGuard.com/tuition/richmond](http://www.GradGuard.com/tuition/richmond)

**Application must be submitted no later than the first day of the term.**

The University of Richmond receives no benefit from your participation in this program.

1098T TAX REPORTING INFORMATION

The IRS requires that colleges and universities issue Form 1098T “Tuition Payments Statement” to each student no later than January 31 of each year.

**Form 1098T:**
- Is furnished to assist you and your tax preparer in calculating any educational tax credits that you may be eligible for on your tax return.
- Is used if completing tax form 8863. If claiming an educational credit, the 1098T must be attached to your tax return.
- Reports the *amounts paid* for Qualified Tuition and Related Expenses (QTRE) during the *calendar year* (January 1 – December 31).
- Is mailed to the student at their local “off-campus” or permanent home address.

If you qualify for an educational credit, you should use your personal records and student account activity/tuition statements to determine the amounts that you actually paid toward the charges reported on the 1098-T. You may also view the tuition charges online at [https://controller.richmond.edu/tuition/fees/index.html](https://controller.richmond.edu/tuition/fees/index.html).

The University of Richmond cannot offer tax advice regarding Form 1098T and recommends you seek the advice of a tax professional.

You may also contact the IRS Public Liaison office at 1-800-829-1040 or visit IRS websites:

Please make sure that you have provided your (student’s) correct Social Security Number to the Bursars Office for accurate 1098T reporting purposes.
Box 1: Includes “payments” received for qualified tuition and related expenses. Box 1 includes scholarships and grants included in Box 5, cash receipts, payments, student refunds and financial aid loan payments. *Box 1 is “capped” at the total Qualified Tuition and Related Expenses (QTRE) for the tax year.

Box 2: Will be blank per IRS regulatory changes

Box 3: This is a check box for a change of reporting method.

Box 4: Adjustments made for a prior year

Box 5: Scholarships and grants transmitted to the student account for the current tax year.

Box 6: Adjustments to scholarships and grants for a prior year that disbursed to the student account in the current tax year.

Box 7: Checked if any portion of the payment amount in Box 1 is for an academic period beginning January through March of the following tax year.

Box 8: Checked if the student is enrolled more than half-time in any enrollment period during the current tax year.

Box 9: Checked if the student is enrolled in any course for graduate credit.

Box 10: Reimbursements or refunds under an Insurance Contract is used by insurance companies, and will not be reported by the University of Richmond.

*Colleges and Universities are required to report payments received during the calendar year in Box 1.

Examples:
If you have $30,000.00 in QTRE but only paid $20,000.00, $20,000.00 is what will be reported in Box 1. If you have payments of $40,000.00 but the QTRE is only $30,000.00, only $30,000.00 will be reported in Box 1.

In order to have QTRE payments to report, there must be a tuition charge to offset the amount paid within the same calendar year. Example: Spring term invoices are emailed in November with a December due date. If payment is not made until January, you may not have the tuition charges to offset the payment on the years 1098T form.

STUDENT HEALTH INSURANCE REQUIREMENT

The University of Richmond requires students in the following schools to purchase the Student Health Insurance Plan (SHIP) while enrolled at the University so that an unexpected illness or accident does not hinder student wellness or academic success.

**Arts and Sciences**
**Business (undergraduate only)**
**Leadership Studies**
**Law**

Students who already have health insurance may waive out of purchasing the SHIP if they meet certain requirements.

**Domestic Students**

Domestic Students are enrolled in the SHIP on a hard waiver basis. Domestic Students are students who are U.S. Citizens, Dual Citizens of U.S. and another country or U.S. Permanent Residents. This means that each academic year, domestic students are required to either enroll in the SHIP or waive the SHIP by demonstrating comparable coverage based on the University waiver criteria.

**IMPORTANT:** If you do not act to enroll in or waive the SHIP prior to the deadline, you will be automatically enrolled into the insurance plan and the semester rate will be added to your student account.

**WAIVER CRITERIA**

You will be asked these questions when you go online to waive the University’s Student Health Insurance Plan. Both answers must be “yes” or your request to waive will be denied.

1. My plan is currently active and I agree to maintain health insurance coverage throughout the entire academic year.
2. My plan covers inpatient and outpatient care in the Richmond area.

In addition, you will be asked to certify the type of health insurance plan you have (HMO, PPO, Medicaid or Tricare) and must provide information from your insurance ID card.

**MEDICAID AND HMO PLANS**

**Be certain that your plan benefits extend to the State of Virginia**

For those students enrolled in state Medicaid plans outside of Virginia, we strongly recommend that you enroll in the University – sponsored Studen
Health Insurance Plan to ensure that you have coverage for healthcare needs when you are away from home. Please contact Financial Aid if you need assistance with the premium cost.

For those students enrolled in HMO plans, we strongly recommend that you check with your insurance provider to assure continued health insurance coverage while at the University of Richmond. Some HMO’s offer guest membership plans which provide healthcare benefits to continue at the same level when away from home. Please contact your HMO insurance provider to find out if this option is available. There usually is no additional charge for this type of program.

FREQUENTLY ASKED QUESTIONS

- **How do I pay my bill?**
  There are several payment options. You may use one or a combination of them. Pay online with an e-check, which is free or with a Master Card, VISA, Discover or American Express card. Credit cards are only accepted on-line. There is a 2.75% convenience fee if you choose to pay with a credit card. Payment can be mailed to Student Accounts, Box R, 142 UR Drive, University of Richmond, VA 23173. Please include voucher found on *Printable Statement* portion of your invoice.
  Pay in person with cash or check at the Student Accounts Office/Cashier window 3rd Floor, Queally Center.
  A payment plan through Nelnet Campus Commerce is another option. There is a deadline each semester to enroll. Payments must be made by the 1st of each month to Nelnet Campus Commerce. This plan is not for past due balances owed to the University.

- **I made a payment online. When will my account balance reflect the payment?**
  You should be able to view your payment immediately on the View and Pay Account page (Current Activity Below tab) on QuikPay. This information contains real time charges and payments. Invoices are only updated monthly.

- **How do I take care of a hold?**
  To pay a financial hold, you can pay your account online via QuikPay and the hold is automatically released. You can also make a cash or check payment in person at the Student Accounts/Cashier Office located on the 3rd floor of the Queally Center.

- **Why can’t you give me information regarding my child’s account? I pay the bill.**
  A federal law under the Federal Educational Rights and Privacy Act (FERPA) requires that students provide authorization to Student Account Services before we can release financial information to anyone. We understand that many parents, spouses, or other individuals pay or need to discuss charges on a student’s account. To assist students who want Student Account Services to communicate with other individuals, students must setup an Authorized Payer in QuikPay or have signed a FERPA waiver on file in the Registrar’s Office. Instructions are included on your NEW SPIDER CHECKLIST.
• **Can I create online access for another person?**

Yes, students can provide online access to designated individuals. Login to bannerweb, select Student Services and then Pay Tuition and Fees. This will take you to the QuikPay site. Select “AUTHORIZE PAYERS” and complete the required information.

• **How do I access the QuikPay system?**

_Students access_ their invoices by logging onto bannerweb, click on Student Services, and then Pay Tuition and Fees. _Parents access_ the QuikPay system? Parents must be signed up by the student to receive invoices. Once signed up, access is via the parent portal at https://quikpayasp.com/richmond/studenttuitionaccount/authorized.do

• **When is my payment due to Nelnet Campus Commerce?**

Payments are due on the 1st of the month. Payments not made by the 5th of the month are considered past due.

• **How will UR know that I enrolled in the Nelnet/TMS payment plan?**

We try to log onto Nelnet/TMS to identify new enrollments, however, there are times that we will not know until we have received the first payment. It is helpful and much appreciated if you notify us via email at bursar@richmond.edu.

• **What happens if my payments are late?**

A hold will be placed on your UR account preventing you from enrolling in future semesters or receiving a transcript until your account is paid in full. A late payment will be assessed to your UR account if not paid by the first day of the term. If you are enrolled in the NelNet TMS payment plan, and your monthly payment is past due by more than 30 days, your payment plan account will be cancelled and you will owe all outstanding amounts to UR immediately.

• **Do I have to notify anyone if I need to update or adjust my monthly payments?**

Yes! Monitor your account by checking your UR invoices each month and comparing it to your Nelnet/TMS balance. If it is determined that you owe more to the University than what is contracted, you can either increase your contract with the payment plan by calling them at 1-800-722-4867 or you can simply pay the additional amount owed.
directly to the University of Richmond by the due date on the invoice and continue paying your monthly contracted amount.

- **Can I send my monthly payment to UR?**
  
  No *please do not do that*. A payment that we expect from your payment plan but is paid to UR directly makes for inaccurate record keeping. For proper credit to your Nelnet/TMS account, all scheduled payments should be sent directly to TMS at Tuition Management Systems PO Box 645113 Cincinnati, OH 45264-5113. Remember to pay by the 1st of each month. Miscellaneous charges will be invoiced to you monthly and that payment should be paid directly to UR as it is not part of your contracted amount with the payment plan.

- **When will Nelnet Campus Commerce send my payment to the University of Richmond?**
  
  Payments are forwarded to us weekly. Nelnet/TMS must receive the required payment by the 1st of the month that the payment is due. Please remember that your contract will be cancelled if payment is past due by 30 days. If this occurs, you will owe all outstanding amounts to UR immediately and be subject to UR’s late payment fee policy.

- **Does Nelnet Campus Commerce have access to my University account or prepay my account balance?**
  
  No – they do not prepay your bill nor do they have access to specific details on your UR account.

- **How do I enroll in the payment plan?**
  
  You can enroll online at [www.richmond.afford.com](http://www.richmond.afford.com) or by calling 1-800-722-4867 for assistance.

• **For those who wish to avoid re-entering checking account** or credit card information each time a payment is made online, there is an option available to you that will store your information for later use. Once your payment profile is completed and saved, you will not have to re-enter your bank account or credit card information in the system each time you make a payment.
