A NOTE TO NEW SPIDERS
(And their parents)
Welcome to our web!

It is finally here! High School is now a memory and you are college bound! You have worked hard for many years to accomplish this goal, a goal that has prepared you for this new chapter in your life. In this next chapter, there will be a lot of “NEWS,” new excitement, new friends, new experiences and new responsibilities. Yes, that’s right, now the responsibilities really begin. There will most likely be some “news” that you have never had to consider. It is important that you understand that college is a very different place from high school. Your parents, while still very important in your lives, are not in charge of your college life, and that includes your money. While most parents will help pay for their children’s college education, it is ultimately YOUR responsibility to make sure that your finances are in order. YOU will receive the invoices, and YOU must make sure that they are paid. Do not expect your parents to ask you what needs to be paid.

We want you to:

Be proactive
Be aware
Be responsible for and learn about your finances
Become accountable to self and society

And also:

Be assured that we are here to assist you....

Because....... not all of your college education will be learned in the classroom!
YOUR STUDENT ACCOUNT
‘YOURS...Not your parents’

About Your Invoices

Now that we have established that the account is ultimately the responsibility of and belongs to the student, we still recognize that parents are the primary source of payment for college tuition and other charges.

Our policy is to provide the invoices to the students electronically through our on-line invoicing system.

Students will access account information using BannerWeb, and will receive notification of new invoices through their University email address.

Parents will access invoices using QuikPay if the student has added them to their student account as an Authorized Payer. Once set up, an Authorized Payer will receive the same email notification of the current invoice that the student receives.

Please note:

• We do not mail paper invoices.

• Failure to review and acknowledge the electronic invoice does not relieve responsibility for timely payments.

• The Student Accounts Office is prohibited from discussing your account with anyone that is not listed as an Authorized Payer or without a student signed FERPA waiver.

IMPORTANT DUE DATES
For your financial planning and scheduling:

FALL INVOICES are emailed during the first week in July, and the *due date for payment is the 1st Monday in August*.

SPRING INVOICES are emailed the first week in November, and *the due date for payment is the 1st Monday in December*.

SUMMER TERMS Payment for all charges is *due no later than the first day of each individual summer term even if you have not received an invoice*. For students registering after the due date for any term, payment is due upon registration.

Under normal circumstances, financial aid recipients will see anticipated financial aid awards on each term’s statement. *Each Term Invoice* will include charges for tuition and fees. Room and meal charges are reflected if applicable to the student. Federal, state and institutional assistance is applied directly against the student charges if the financial aid applications are complete. *Only the Federal Work-Study award is not credited to the account, since it is paid directly to the student based on the number of hours worked.*

MONTHLY INVOICES
Miscellaneous charges that are not part of your term charges are invoiced monthly. The due date for any amount owed is indicated on the invoice. The invoice will also indicate any activity (payments received, etc.) on the student account since the previous month. While not exact, it is our intention to email invoices on the 1st Wednesday of each month. Please ensure that payment is received on time as requested.

*Current Activity* - reflects “real time” activity on the account. New charges, payments or adjustments made to accounts can be viewed immediately on this page.

*Invoice History* - archives your older invoices. They can be accessed by clicking on the **Invoice Billing Date** by the invoice you want to open.

*Transaction History* archives the payments made via the QuikPay system. Echeck and Credit Card payments can be viewed by clicking on the **transaction date** next to the payment you want to view. This is also helpful in determining why a payment may have been rejected.

*For a paper copy* of the invoice, click **“Download PDF”** and print your invoice from your home. The printable invoice will include a personalized voucher to use if mailing your payment.

*Please remember that your invoice is a static “snapshot” of your account and is only updated once a month, just prior to being sent. For up to date information, check the “Current Activity” box on the View and Pay Accounts page.*
AUTHORIZING PARENTS TO RECEIVE INVOICE

Tuition Installment/Payment Plan
This option has been made available for Undergraduate and Law Students through the services of Nelnet Campus Commerce/TMS (formerly TMS). Nelnet Campus Commerce/TMS offers a payment schedule of 4 or 5 equal monthly installments for both fall and spring semesters.

• The Fall term (5) June 1 - October 1
• The Fall term (4) July 1 - October 1
• The Spring Term (5) November 1 – March 1
• The Spring Term (4) December 1 – March 1
• Because invoices for fall are not sent until July, you may need to estimate your contract and adjust later if necessary.
TUITION PAYMENT PLAN USERS
Nelnet/TMS will mail information to returning students in April of each year. Incoming freshmen are notified in May.

To determine the amount of your contract, please refer to the fee schedule at: http://controller.richmond.edu/tuition/index.html

To enroll in the payment plan, go to:
https://www.richmond.afford.com or call 1–800–722-4867

PAYMENT PLAN REMINDERS

If you have elected to participate in the monthly installment plan through Nelnet Campus Commerce/TMS, please remember:

- Payments made from June/July to October must satisfy the fall term balance. Payments made from November/December to March must satisfy the spring term balance.

- Your contract requires that your payments be received by the first day of each month.

- You will continue to receive monthly invoices from the University’s Bursars office. It is very important that you open and view your UR invoice each month. Your UR invoice will reflect:
  * monthly payments received
  * anticipated payments based on your contract
  * any additional amount owed—If your UR invoice indicates an amount due that will not be satisfied by your monthly payments, please pay the amount indicated directly to the University by the due date on the invoice.

Need to adjust your contract?
Over or under estimating your payment plan is a common occurrence. Your payment amounts can easily be adjusted, but you must request any changes. CONTRACT ADJUSTMENTS ARE NOT AUTOMATIC. Nelnet/ TMS payment plan does not have access to your University of Richmond account. Nelnet/TMS is only aware of our basic costs and not what your individual tuition invoice is for the semester.
If you are **OVER PAYING** on your contract and need to decrease your payment amount, contact your UR account representative to assist you. ***Do not just skip your payments. *****

If you are **UNDERPAYING** on your contract you will need to contact TMS and let them know to increase your contract. ***Do not just send in additional funds without a contract increase as additional funds will be applied to the next month’s payment.

SAVING YOUR PAYMENT INFORMATION

How to save your Bank Account and Credit Card information in the QuikPay system:
For those who wish to avoid re-entering checking account or credit card information each time a payment is made online, there is an option available to you that will store your information for later use.

While logged into the QuikPay site, select "Payment Profiles" on the navigation bar on the left side of the screen. Click “Add eCheck/Credit Card Profile” and then complete the form. Once your payment profile is completed and saved, you will not have to re-enter your bank account or credit card information in the system each time you make a payment.

PLEASE DOUBLE CHECK YOUR CHECKING ACCOUNT, ROUTING AND CREDIT CARD NUMBERS FOR ACCURACY BEFORE SAVING.
ACCOUNT HOLDS/UR POLICY

FINANCIAL HOLDS

- **Any charges unpaid by the due date on the current statement will result in a hold on your account and prevent registration or transcript activity.** The hold will remain on the account until payment is received.

- No credit is given for a terms work nor a degree conferred until all charges have been satisfactorily settled. Failure to make satisfactory financial arrangements can result in delay of graduation, denial of registration privileges, removal from classes, withholding of transcripts and/or referral to a collection agency or attorney.

- If the University deems it necessary to engage the services of a collection agency or attorney to collect or settle any dispute in connection with an unpaid balance on a student account, the student will be liable for all reasonable collection costs including attorney fees and other charges necessary for collection of this debt. Collection fee assessments start at 33.33%.
- Accounts referred to a collection agency are reported to a credit bureau(s).

- **Per the University Communications Policy, ***email is the official means of communication for the University of Richmond. We do not mail paper invoices except for summer school.**
STUDENT ACCOUNTS or FINANCIAL AID?

While the Student Accounts Office and the Financial Aid Office often work in concert, they are two separate offices with very different functions. Please do not assume that each office is aware of issues the other may be involved with and communicate with both!

The Financial Aid Office function is to assist you with obtaining funding for your education when needed. It is incumbent upon the student to ensure that all of the requirements for financial aid are complete prior to the start of the fall term. Timely completion of these requirements will permit your funding to be disbursed on the first day of class and eliminate the risk of a hold or late fee on your account.

The Student Accounts Office is responsible for producing invoices for charges assessed to the Student Account as well as processing payments received. Additionally, the Student Accounts Office monitors these accounts to ensure timely payment, placing holds and applying late fees to delinquent accounts.

Should you have questions regarding a charge placed on a student account, please contact the issuing department. The Student Accounts Office has no authority to remove charges assessed by another department.

Please refer to FREQUENTLY CALLED NUMBERS listed on page 5.
FINANCIAL AID ON YOUR INVOICE

Financial Aid packages need to be in place PRIOR TO the beginning of the term. Please ensure that you have *completed the entire financial aid application, *promissory notes are properly signed and *students have completed the required Entrance Counseling. **Funds will not disburse until these requirements are satisfied.**

Financial aid awards and Federal Direct Loans will appear as pending aid on your invoice once **you have accepted your award package online via bannerweb.**

**First time borrowers only** – must complete entrance counseling and sign your Master Promissory Note electronically at [studentloans.gov](http://studentloans.gov).

**Your invoice will include** any pending financial aid transactions when calculating the balance, you need to pay.

**Financial aid is disbursed to your account** on the first day of the term if you have completed all required applications and provided all required documentation and information.

**Federal Work-Study** is not credited to the account as it is paid directly to the student based on the number of hours worked and can be used for incidental/personal expenses.

**Do not wait** until you arrive on campus to start the process for loans or other financial assistance. The Office of Student Accounts will apply holds and late fees to unpaid accounts.

**Tax extensions from the IRS are not compatible with University due dates.** A student’s account will need to be paid by the due dates on your invoice. Refunds will be issued should you later qualify for financial assistance.

**FOR QUESTIONS REGARDING YOUR FINANCIAL AID, PLEASE CALL THE FINANCIAL AID OFFICE AT 804-289-8438 or email:** finaid@richmond.edu

TUITION PROTECTION PLAN

Can you afford to lose a full semester of Payments?

Withdrawal/Refunds/Tuition Insurance

While it is not common for students to leave mid-semester because of a serious illness or injury, unfortunately there are times when it is unavoidable. It is important to note, depending on the date of withdrawal, the financial aspect may be unfavorable. As outlined in the Tuition Refund Policy on page 18, a percentage of the tuition cost is refunded up to the 6th week. After the 6th week of the term, there is no refund for withdrawal.

Because we feel that your college is an investment worth protecting, the University of Richmond has partnered with GradGuard to offer tuition insurance from Allianz Global Assistance. While this is an optional service offered to our families, the University feels that it is our responsibility to provide you with as much information as possible to assist you in making an informed decision.

GradGuard Tuition Protection Plan acts as an extension of the University’s refund policy—securing reimbursement for your tuition, housing and meal charges, and other nonrefundable expenses if you withdraw for a covered reason at any time during the semester.

Tuition Insurance is available to all Undergraduate, Law/MBA and School of Continuing Studies students through GradGuard Tuition Insurance.
To get a quote or learn more about tuition insurance, call GradGuard at 1-866-724-4384 or visit their website: www.GradGuard.com/tuition/richmond

Application must be submitted no later than the first day of the term.

The University of Richmond receives no benefit from your participation in this program.
The IRS requires that colleges and universities issue Form 1098T “Tuition Payments Statement” to each student no later than January 31 of each year.

**Form 1098T:**
- Is furnished to assist you and your tax preparer in calculating any educational tax credits that you may be eligible for on your tax return
- Is used if completing tax form 8863. If claiming an educational credit, the 1098T must be attached to your tax return.
- Reports the amounts paid for Qualified Tuition and Related Expenses (QTRE) during the calendar year (January 1 – December 31).
- Does not include Room and Meal Plan charges
- Is mailed to the student at their local “off-campus” or permanent home address

If you qualify for an educational credit, you should use your personal records and student account activity/tuition statements to determine the amounts that you actually paid toward the charges reported on the 1098-T. You may also view the tuition charges online at https://controller.richmond.edu/tuition/fees/index.html

The University of Richmond cannot offer tax advice regarding Form1098T and recommends you seek the advice of a tax professional.

You may also contact the IRS Public Liaison office at 1-800-829-1040 or visit IRS websites:
- IRS Publication 970 (page 9).
- http://www.irs.gov/individuals/students/article/0,,id=96674,00.html

Please make sure that you have provided your (student’s) correct Social Security Number to the Bursars Office for accurate 1098T reporting purposes.
SOCIAL SECURITY NUMBER REQUIREMENTS

The University of Richmond is required by the IRS to send the Form 1098T each tax year to degree-seeking students who attend the University of Richmond. This form is furnished to help determine whether you or the person who can claim you as a dependent, may take either the tuition and fees deduction or claim an education credit to reduce federal income tax. If we do not have your Social Security # on file or have been notified that the name and/or social security number we have on file for you is incorrect, Per IRS regulations, we have to verify this information by sending a W-9S form for you to fill out and return to the University so that we have the correct information. Please include your exact name as it appears on your social security card, your social security number, UR id #, sign the form, and return to us.

You have two options:

*1. Please log on to this link http://www.irs.gov/pub/irs-pdf/fw9s.pdf read, complete, print, sign and return to The Queally Center, Student Accounts Office or mail to:

University of Richmond
Attn: Andrea Stadler
Box R
142 UR Drive
University of Richmond, VA 23173

*2. Decline to provide your social security number to the University of Richmond. Please note that by not providing this information, the IRS could fine you up to $100.

If this information is not received, a hold will be placed on your account that will prevent you from registering for classes or receiving your transcripts.

Please do not email your social security number.
QUICK AND HELPFUL TIPS

• **Open your UR invoice every month**—you may have new charges to pay (lab fees, fines, etc.)  *Do not ignore your UR invoice because you are using the monthly tuition payment plan.*

• **Students receive their monthly invoices** via email sent to their UR email address. They can also access their invoice via Bannerweb.

Parents link for invoices:
https://quikpayasp.com/richmond/studenttuitionaccount/authorized.do (save/bookmark this link on your toolbar for easy access and viewing)

• **It is never necessary to request that an invoice be resent.** Once an invoice has been generated and sent, it is always available to the student through bannerweb and for the parents on the Quikpay link (listed above) in the Invoice History tab.

• **We strongly encourage anyone anticipating an overpayment or refund** from your Financial Aid award, to **sign up for direct deposit.** By having your refund directly deposited into your bank account, you will have access to your funds much quicker than waiting for it to arrive in your mailbox or risk your check getting lost or stolen. To sign up for direct deposit, please go to BannerWeb and click on Manage/Sign Up for Direct Deposit. Once you have completed the form, it will automatically be sent to the Accounts Payable Office. If you have any questions, please email Accounts Payable at ACCTPAY@richmond.edu

• **Please have UR ID #** whenever contacting or corresponding with the Student Accounts Office.

• **If you receive a call or an email** from your student account representative, please respond as quickly as possible.

• **If leaving a voice mail message,** it is very helpful if you will speak slowly and clearly when leaving a telephone number to avoid misinterpretation of the correct number or name.

• **Invoices will only update once per month.** For adjustments made between invoicing cycles, check the CURRENT ACTIVITY BOX on the View and Pay Accounts page.

QUIKPAY CHECKLIST & GUIDE

Students should become familiar with our online invoicing system to ensure they receive the full benefit of QuikPay services.

1. **Students: Log into QuikPAY directly from Bannerweb.** Enter your NetID and password, select the “Student Services” tab, and click on the “Pay Tuition and Fees” option.

2. **Check the Message Board** for important announcements/deadlines/instructions.

3. Click on the link “Invoice Details” to view the most recent invoice. Check the “payment due date” listed on the invoice; make sure to remit payment no later than the date listed to avoid holds and late fees.

4. **Select the “Authorize Payers” option** from the menu (on the left) to provide parents or other third parties with the ability to view and pay the invoice via their own login and password. Students may assign access to multiple individuals—this option is especially valuable for those families sharing payment responsibility. “Authorized Payers” receive an email via the address designated by their student notifying them that a new electronic invoice is now available.

5. **Click on the “Make Payment” button** located on “View and Pay Accounts” page to pay your balance quickly and securely. A payment made using your checking account information is free of charge, however if using a MasterCard, VISA, Discover, or American Express, you will be charged a 2.75% service fee.

6. **To view older Invoices:** Click on the Invoice History tab. Then click on the Billing Date (left-hand column) by the date of the invoice you want to view.

Electronic invoices are the exclusive billing method for the University of Richmond. Paper invoices are not mailed to students. Students can print their QuikPAY statement if needed by clicking on “Download PDF” found on the View and Pay Account page.
**Statement of Student Responsibility**

Students who register at the University of Richmond:
Assume responsibility of full payment for tuition and fees generated from that registration.
Assume full responsibility of all room, meals, and miscellaneous charges, if applicable.
Must keep a current mailing address for invoicing purposes on file at the Student Accounts Office. Failure to receive an invoice because of an incorrect address does not relieve responsibility of timely payments.
Failure to make satisfactory financial arrangements can result in delay of graduation, denial of registration privileges, removal from classes, withholding of transcripts, and/or referral to a collection agency.
Students whose accounts are referred to a collection agency will be liable for all reasonable collection costs including attorney fees and other charges necessary for collection of this debt. Accounts referred to collections are reported to the credit bureau(s).
By registering for classes, students acknowledge receipt of this information and their acceptance of the associated responsibilities.

**Holds**
Access to Web registration can be prevented by holds. Students may access BannerWeb to query their holds. To avoid incurring a late-payment fee, a hold on a student account, delays in housing, registration, and other areas, individuals are urged to pay fees when due. Failure to make satisfactory financial arrangements can result in a hold on a student account, which can result in delay of graduation, denial of registration privileges, removal from class, and/or the withholding of transcripts.
Please contact the appropriate office with questions about holds.

**Registration Splash Screen**
Prior to registration, students will be prompted on BannerWeb to acknowledge the following statement:
To enroll in courses at the University of Richmond I understand and agree to the following terms and conditions:

I am responsible for payment of all sums when due regardless of my eligibility for financial aid or other financial assistance.

I must acknowledge notifications sent to me through my University of Richmond email address. The official University e-mail address is used for invoicing and sending important communication. It is essential that UR emails are read on a regular basis to ensure I have the most current information.

I understand I am responsible for maintaining my current address and phone number through BannerWeb.

I may be contacted regarding my student account at any personal telephone number provided to the University of Richmond. Communication may be made to home telephone or mobile device using auto-dialer, text message, or pre-recorded message.

I am subject to and responsible for complying with all University of Richmond policies and procedures as stated in the University of Richmond Handbook.

By my registration, I acknowledge that I am responsible for payment of all charges on my student account. Frequently Asked Questions

• **How do I pay my bill?**
There are several payment options. You may use one or a combination of them. Pay online with an e-check, which is free or with a Master Card, VISA, Discover or American Express card. Credit cards are only accepted on-line. There is a 2.75% convenience fee if you choose to pay with a credit card. Payment can be mailed to Student Accounts, Box R, 142 UR Drive, University of Richmond, VA 23173. Please include voucher found on *Printable Statement* portion of your invoice.
Pay in person with cash or check at the Student Accounts Office/Cashier window 3rd Floor, Queally Center.
A payment plan through Nelnet/TMS is another option. There is a deadline each semester to enroll. Payments must be made by the 1st of each month to Nelnet/TMS. This plan is not for past due balances owed to the University.

• **If I disagree with a charge on my account, who should I contact?**
Contact the department that has assessed the charge. They will be the only one that can explain or adjust the amount you are questioning.

• **I made a payment online. When will my account balance reflect the payment?**
You should be able to view your payment immediately on the View and Pay Account page (Current Activity Below tab) on QuikPay. This information contains real time charges and payments. Invoices are only updated monthly.

• **How do I take care of a hold?**
To pay a financial hold, you can pay your account online via QuikPay and the hold is automatically released. You can also make a cash or check payment in person at the Student Accounts/Cashier Office located on the 3rd floor of the Queally Center.

• **Why do I see charges on “Current Activity” that are not on my invoice?**
Your invoice is generated during the first week of each month and is a snapshot of your account as of that day. Once an invoice is generated, a new billing cycle begins. Any new charges will be included on the next month’s invoice. The Current Activity box is simply “real time” and updates constantly (new charges, payments, credits, or other adjustments).

• **I did not receive a bill in the mail. Where did you mail my bill?**
The University of Richmond does not mail paper invoices to students. Instead, students are notified via their UR email that a new electronic invoice has been generated each month. To view your current statement, login to bannerweb, select Student Services and Pay Tuition and Fees.
• **Why can’t you give me information regarding my child’s account? I pay the bill.**  
A federal law under the Federal Educational Rights and Privacy Act (FERPA) requires that students provide authorization to Student Account Services before we can release financial information to anyone. We understand that many parents, spouses, or other individuals pay or need to discuss charges on a student’s account. To assist students who want Student Account Services to communicate with other individuals, students must setup an Authorized Payer in QuikPay or have signed a FERPA waiver on file in the Registrar’s Office. Instructions are included on your NEW SPIDER CHECKLIST.

• **Can I create online access for another person?**  
Yes, students can provide online access to designated individuals. Login to bannerweb, select Student Services and then Pay Tuition and Fees. This will take you to the QuikPay site. Select “AUTHORIZED PAYERS” and complete the required information.

• **How do I access the QuikPay system?**  
**Students access** their invoices by logging onto bannerweb, click on Student Services, and then Pay Tuition and Fees.  
**Parents access** the QuikPay system? Parents must be signed up by the student to receive invoices. Once signed up, access is via the parent portal at [https://quikpayasp.com/richmond/studenttuitionaccount/authorized.do](https://quikpayasp.com/richmond/studenttuitionaccount/authorized.do)

• **When is my payment due to Nelnet/TMS?**  
Tuition Management System payments are due on the 1st of the month. Payments not made by the 5th of the month are considered past due.

• **How will UR know that I enrolled in the Nelnet/TMS payment plan?**  
We try to log onto Nelnet/TMS to identify new enrollments, however, there are times that we will not know until we have received the first payment. It is helpful and much appreciated if you notify us via email at bursar@richmond.edu.

• **What happens if my payments are late?**  
A hold will be placed on your UR account preventing you from enrolling in future semesters or receiving a transcript until your account is paid in full. A late payment will be assessed to your UR account if not paid by the first day of the term. If you are enrolled in the Nelnet TMS payment plan, and your monthly payment is past due by more than 30 days, your payment plan account will be cancelled and you will owe all outstanding amounts to UR immediately.

• **Do I have to notify anyone if I need to update or adjust my monthly payments?**  
Yes! Monitor your account by checking your UR invoices each month and comparing it to your Nelnet/TMS balance. If it is determined that
you owe more to the University than what is contracted, you can either increase your contract with the payment plan by calling them at 1-800-722-4867 or you can simply pay the additional amount owed directly to the University of Richmond by the due date on the invoice and continue paying your monthly contracted amount.

- **Can I send my monthly payment to UR?**
  No – **please do not do that.** A payment that we expect from your payment plan but is paid to UR directly makes for inaccurate record keeping. For proper credit to your Nelnet/TMS account, all scheduled payments should be sent directly to TMS at Tuition Management Systems PO Box 645113 Cincinnati, OH 45264-5113. Remember to pay by the 1st of each month. Miscellaneous charges will be invoiced to you monthly and that payment should be paid directly to UR as it is not part of your contracted amount with the payment plan.

- **When will Nelnet/TMS send my payment to the University of Richmond?**
  Payments are forwarded to us weekly. Nelnet/TMS must receive the required payment by the 1st of the month that the payment is due. Please remember that your contract will be cancelled if payment is past due by 30 days. If this occurs, you will owe all outstanding amounts to UR immediately and be subject to UR’s late payment fee policy.

- **Does Nelnet/TMS have access to my University account or prepay my account balance?**
  No – they do not prepay your bill nor do they have access to specific details on your UR account.

- **How do I enroll in the Nelnet/TMS payment plan?**
  You can enroll online at www.richmond.afford.com or by calling 1-800-722-4867 for assistance.
