From the Office of the Controller

Tel. (804) 289-8150

**TO:** Department Heads, Directors, and Department Administrators  
**FROM:** Laurie F. Melville, Senior Associate Vice-President for Finance & Controller  
**RE:** Fiscal Year 2022 Year-End Closing  
**DATE:** May 20, 2022

The process for closing the books for fiscal year 2022 (FY22) will soon be underway. Key closing dates and important deadlines are outlined below. Please review the information contained in this document and share it with the appropriate individuals in your areas.

The dates listed in this document incorporate the two official University holidays that occur during this period (Juneteenth, observed June 20, and Independence Day, July 4). Individual schools and divisions may establish earlier internal deadlines. Please consult with your school or division's budget director for deadlines specific to your school or area.

Departments are strongly encouraged to begin reviewing your budget reports and ledger statements now. Promptly research any unusual or incorrect items and submit journal vouchers to correct or transfer the charges as necessary. This will ensure that deans and department heads have a clearer picture of their areas' financial performance and ensure the overall accuracy of the University's financial information as fiscal year 2022 draws to a close.

## FINAL JUNE CLOSING

Items recorded on the final close should consist only of June corrections and year-end transfers or adjustments typically initiated by the budget directors of the schools or administrative units. For departments that send journal entries to the Accounting Office for processing, all entries must be received in the Accounting Office by July 12 at 12:00 p.m. Please be sure to write "FY22" at the top of your entry to ensure that it is entered into the proper fiscal year. Please email all journal entries and supporting documentation, if required, to [accounting@richmond.edu](mailto:accounting@richmond.edu).

### Purchasing Cards (Chrome River)

### Invoices and Check Requests

Invoices and check requests (including online forms) must be approved and submitted for payment no later than July 1 in order to be allocated to FY22.

Accounts Payable will be processing payments for both FY22 and FY23 between July 1 and July 8. During this dual processing period, the check run dates are as follows:

- June 29
- July 6
- July 8

July 8 will be the last check run for FY22.

### Prepays

Please see the attached matrix which describes how items will be expensed during fiscal year-end processing. Generally, if items are less than \$50,000, they will be expensed in the current fiscal year. Invoices received after the July 8 check run date will be charged to FY23. The Controller's Office reserves the right to accrue or not accrue a specific item for compliance or similar reasons.

Purchases Orders

Open purchase orders are listed as encumbrances on monthly budget reports. Please be sure to review Banner for FY22 between July 1 and July 7 to ensure that only open purchase orders are showing in the “Commitment” column in FGIBDST for your index. If you find an open purchase order that should be closed, please notify Wendy Burchard no later than 5:00 pm on July 8 at [wburchar@richmond.edu](mailto:wburchar@richmond.edu). Open FY22 PO’s will be rolled to the new fiscal year on July 17.

For new purchase orders, please see the prepaid matrix for how these requests will be processed. Generally, if a purchase order is needed for goods or services that will be received and invoiced before July 1, that PO must be issued as a current PO (FY22); it cannot be charged to the FY23 budget. If the PO is charged against the FY23 budget and the goods or services are received prior to July 1, the PO will be closed, the funds will revert back to the current fiscal year (FY22), and the expense will be charged against the current fiscal year (FY22) budget.

Deposits

All deposits for FY22 must be taken to the Cashier’s Office, located in Queally Center, by July 6 at 12:00 noon. Please use the deposit form (<http://controller.richmond.edu/cashier/index.html>) and be sure to read the instructions provided on the form. Since two fiscal years will be open for the period July 1 through July 6, please be sure to write “FY22” in the Special Instructions section of the deposit form to ensure the deposit is processed in the correct fiscal year.

Gifts

Gifts postmarked by June 30, 2022 or earlier must be reflected in FY22 activity. Please deliver the check with gift coversheet, related correspondence and the postmarked envelope to Advancement Operations (AO) through its mail chute, located in Richmond Hall, Room G-21 by 4:30 pm on **July 7**. The AO staff will work with you to determine the appropriate fund in which to record the gift. Questions should be directed to Amy St. John, at extension 8022 or via email at [astjohn@richmond.edu](mailto:astjohn@richmond.edu). Stock gifts and credit card gifts must be received/charged by June 30 or they will count for fiscal year 2023.
