Our Pledge to You

It is our mission to support and advise students in understanding their financial obligations to the University of Richmond by employing patience and effective communication.

The Bursar's Office is dedicated to the development, education, and success of our students by:

- **providing exceptional service**
- **maintaining accuracy of accounts**
- **being responsive to their needs**
- **encouraging their development into financially responsible adults**

It is our pledge to serve with respect, honesty and compassion in a professional and individualized manner.

TO OUR NEW SPIDERS

Welcome to our web and to your new home for the next four years. Your journey to get here is the result of hard work, dedication and perseverance over many years. We congratulate you on your accomplishments and are proud to become part of your story.

Entering college is a life-changing event and much is expected of you. One of the first responsibilities you assume will be payment for your tuition and fees. While we understand that many parents assist in paying for your education, it is ultimately your responsibility to ensure that your finances are in order prior to the start of each semester.

The Student Accounts Office strives to be a valuable resource to you and encourages all students to be active participants in the financial aspects of their education. Open and review your monthly invoices. Ask questions. Be timely and proactive. Learn about and be responsible for your finances. Be accountable to self and society. Be assured that we are here to assist you.

**Not all of your education
will be learned in the classroom.**

YOUR STUDENT ACCOUNT (*YOURS...Not your parents'*)

About Your Invoices

Now that we have established that the account is ultimately the responsibility of *and belongs to the student*, we still recognize that parents are the primary source of payment for college tuition and other charges.

Our policy is to provide the invoices to the students electronically through QuikPAY, our on-line invoicing system.

Students will receive notification of new invoices through their University email address and will access account information via BannerWeb.

Parents will access invoices using QuikPAY *if the student* has added them to their student account as an *Authorized Payer*. *Once set up, an Authorized Payer will* receive the same email notification of the current invoice that the student receives and view the invoice through the *parent QuikPAY portal*.

Parents cannot access invoices through BannerWeb

Please note:

- *Failure to review and acknowledge the electronic invoice does not relieve responsibility for timely payments.*
- *The Student Accounts Office is prohibited from discussing your account with anyone that is not listed as an Authorized Payer or without a student signed FERPA (Family Educational Right to Privacy Act) waiver.*
- *To view the FERPA policy, please go to:*

IMPORTANT DUE DATES

For your financial planning and scheduling:

FALL INVOICES are emailed during the first week in July, and the *due date for payment is the 1ST Monday in August.*

SPRING INVOICES are emailed the first week in November, and *the due date for payment is the 1st Monday in December.*

SUMMER TERMS Payment for all charges is due no later than the *first day of each individual summer term even if you have not received an invoice.*

For students registering after the due date for any term, payment is due upon registration.

Miscellaneous charges are invoiced monthly and the due date for any amount owed is indicated on the invoice. The invoice will also indicate any activity (payments received, etc.) on the student account since the previous month. While not exact, it is our intention to email invoices on the 1st Wednesday of each month. Please ensure that payment is received on time as requested.

ADJUSTMENTS ON ACCOUNTS

Students are required to monitor their account balances by accessing their online account to view any adjustments. *Your invoice will only update once per month; however, you can view the new balance in the Student Account Details box on the View and Pay Account page.*

Payment in full, including adjustments, is required by the due date on the original invoice.

INVOICING

Electronic invoices are the exclusive billing method for the University of Richmond. Paper invoices are not mailed to students. Students can print their QuikPAY statement if needed by clicking on "[VIEW PDF](#)" found on the [View and Pay Account page](#).

If you are a student and wish to view and/or pay your invoice online, please go to <https://bannerweb.richmond.edu> and log in. Upon log in, click the Student Services link and select "Pay Tuition and Fees". **This is QuikPAY.** Select "View & Pay Account" to access invoice details and the payment screen.

AUTHORIZING PARENTS TO RECEIVE INVOICE

If you would like someone else to receive or pay your invoice (i.e. parents), YOU must set the person up as an "Authorized Payer" in QuikPAY.

How to Set Up an Authorized Payer

Go to: <https://bannerweb.richmond.edu> and log in. Upon log in:

- *select **Student Services**
- *select **"Pay Tuition and Fees"**
- *select **"Authorize Payers"** (on the navigation bar on the left side of the screen).
- *Click **Add New** on the right-hand side and complete *the requested information for each authorized payer.*

Authorized payers will then receive an automated email notification with the login name informing them that they have been authorized and inviting them to set up a password.

If you are a parent/guardian/authorized payer and want to view or pay your student's invoice, please go to:

<https://quikpayasp.com/richmond/studenttuitionaccount/authorized.do>

*(making this link a "favorite" or "bookmarking" this site will make it easy to check the account at any time)

Logging in will bring you to QuikPAY. Select "View & Pay Account" to access invoice details, current activity, and the payment screen.

If the parent/guardian/authorized payer has a change in email address, the student will have to make the change in QuikPAY.

QUIKPAY CHECKLIST & GUIDE

Students should become familiar with our online invoicing system to ensure they receive the full benefit of QuikPAY services.

1. Students: Log into QuikPAY directly from Bannerweb.

Enter your NetID and password, select the “Student Services” tab, and click on the “Pay Tuition and Fees” option.

2. Click on View and Pay Accounts and then on “Invoice

Details” to view the most recent invoice. Check the **“payment due date”** listed on the invoice; make sure to remit payment no later than the date listed to avoid holds and late fees.

3. Select the “Authorize Payers” option from the menu (on the left) to provide parents or other third parties with the ability to view and pay the invoice via their own login and password. Students may assign access to multiple individuals—this option is especially valuable for those families sharing payment responsibility. “Authorized Payers” receive an email via the address designated by their student notifying them that a new electronic invoice is now available.

4. Click on the “Make a Payment” button located on “View and Pay Accounts” page to pay your balance quickly and securely. A payment made using your checking account information is free of charge, however if using a MasterCard, VISA, Discover, or American Express, you will be charged a 2.85% service fee.

5. To view older Invoices: Click on the Invoice History tab on the VIEW and PAY ACCOUNT page.

Then click on the Billing Date (left-hand column) of the invoice you want to view.

PAYMENT OPTIONS

The preferred method of payment is electronic (on QuikPAY) by using your checking account information or by credit card. Making electronic payments on QuikPAY will give immediate confirmation of your payment as well as automatically remove a hold.

Echeck—is a *free* electronic service on QuikPAY by using your checking account information

Credit card— credit or debit card using your **MASTERCARD, DISCOVER, VISA or AMERICAN EXPRESS** (a 2.85% service fee will be applied)

Tuition Installment/Payment Plan

You can enroll in the payment plan online via your QuikPAY account.

This option has been made available for Undergraduate and Law Students through the services of **Nelnet Campus Commerce (QuikPAY)** and offers a payment schedule of 4 or 5 equal monthly installments for both fall and spring semesters.

Because invoices for fall are not sent until July, you will need to estimate your contract and adjust later if enrolling in the 5 pay plan in June.

- The Fall term (5) June - October
- The Fall term (4) July - October
- The Spring Term (5) November – March
- The Spring Term (4) December – March

Parents must be set up as Authorized Payers in QuikPAY to enroll in the payment plan.

TUITION PAYMENT PLAN USERS

To determine the amount of your contract, please refer to the fee schedule at: <http://controller.richmond.edu/tuition/index.html> and your award letter provided by Financial Aid.

To enroll in the payment plan, log onto QuikPAY and choose the option for payment plan:

PAYMENT PLAN REMINDERS

If you have elected to participate in the monthly installment plan through Nelnet Campus Commerce (**QuikPAY**) please remember:

- Payments made from June/July to October must satisfy the fall term balance. Payments made from November/December to March must satisfy the spring term balance.
- Your contract requires **automatic scheduled payments**. You may choose from several payment dates and your monthly payments will be processed according to the payment schedule you select in the enrollment process. Your payments will then be processed on the same date each month.

You will continue to receive monthly invoices from the University's Bursar's office. It is very important that you open and view your UR invoice each month.

Your UR invoice will reflect:

- * monthly payments received
- * anticipated payments based on your contract
- * any additional amount owed— ***If your UR invoice***

indicates an amount due that will not be satisfied by your monthly payments, please pay the amount indicated directly to the University by the due date on the invoice.

Need to adjust your Payment Plan contract?

Over or under estimating your payment plan is a common occurrence. Your payment amounts can be adjusted; however,

you must request any changes. ***CONTRACT ADJUSTMENTS ARE NOT AUTOMATIC. Contact your Student Account Representative for assistance if you need to reduce or increase the amount of your payment plan.***

STUDENT ACCOUNTS & FINANCIAL AID

While the Student Accounts Office and the Financial Aid Office often work in concert, they are two separate offices with very different functions. Please do not assume that each office is aware of issues the other may be involved with and communicate with both!

The Student Accounts Office is responsible for producing invoices for charges assessed to the Student Account as well as processing payments received. Additionally, the Student Accounts Office monitors these accounts to ensure timely payment, placing holds and applying late fees to delinquent accounts.

ACCOUNT HOLDS/UR POLICY

FINANCIAL HOLDS

Any charges unpaid by the due date on the current statement will result in a hold on your account and prevent registration as well as some administrative processes. The hold will remain on the account until payment is received.

The Financial Aid Office function is to assist you with obtaining funding for your education when needed. It is incumbent upon the student to ensure that ***all of the requirements for financial aid are complete prior to the start of the fall term.*** Timely completion of these requirements will permit your funding to be disbursed on the first day of class and eliminate the risk of a hold or late fee on your account.

FINANCIAL AID ON YOUR INVOICE

Financial Aid packages need to be in place ***PRIOR TO*** the beginning of the term. Please ensure that you have *completed the entire financial aid application, *promissory notes are properly signed and *students have completed the required Entrance Counseling. ***Funds will not disburse until these requirements are satisfied.***

Financial aid awards and Federal Direct Loans will appear as pending aid on your invoice once ***you have accepted your award package*** online via Bannerweb.

First time borrowers only – must complete entrance counseling and sign your Master Promissory Note electronically at studentloans.gov.

Your invoice will include any pending financial aid transactions when calculating the balance you need to pay.

Financial aid is disbursed to your account on the first day of the term ***if you have completed all required applications and provided all required documentation and information.***

Federal Work-Study is not credited to the account as it is paid directly to the student based on the number of hours worked and can be used for incidental/personal expenses.

Do not wait until you arrive on campus to start the process for loans or other financial assistance. The Office of Student Accounts will apply holds and late fees to unpaid accounts.

Tax extensions from the IRS are not compatible with University due dates. A student's account will need to be paid by the due dates on your invoice. Refunds will be issued should you later qualify for financial assistance.

FOR QUESTIONS REGARDING YOUR FINANCIAL AID, PLEASE CALL THE FINANCIAL AID OFFICE AT 804-289-8438 or email: finaid@richmond.edu

TUITION PROTECTION PLAN

Can you afford to lose a full semester of Payments?

Protecting your Investment

Your education is important. So are the dollars that you spend on tuition.

Each semester, many college students find themselves unable to complete their classes due to unforeseen medical issues. Withdrawal in the middle of a semester can be costly as the timing of a withdrawal determines the refund percentage for tuition and fees.

To assist our students facing withdrawal for covered illness or injury, the University of Richmond has partnered with GradGuard to offer a Tuition Protection Plan.

If a student must withdraw for a covered reason at any time during the semester, the Tuition Protection Plan can reimburse eligible expenses which may include tuition payments, housing and food charges and other nonrefundable expenses.

To make an informed decision, please review and understand the college's refund policy at:

<https://controller.richmond.edu/tuition/refund/index.html>

For more information, please call Grad Guard at 1-866-724-4384 or visit their website at www.GradGuard.com/tuition/richmond

Tuition Insurance is available to all Undergraduate, Law/MBA and School of Continuing Studies students.

Application must be submitted prior to the first day of the term.

**The University of Richmond receives no benefit
from your participation in this program.**

1098T TAX REPORTING INFORMATION

The IRS requires that colleges and universities issue Form 1098T "Tuition Statement" to each student no later than January 31 of each year.

Form 1098T:

- Is furnished to assist you and your tax preparer in calculating any educational tax credits that you may be eligible for on your tax return
- Is used if completing tax form 8863
- Unlike the W-2, which is an income statement, the 1098T is a Tuition Statement. Its main purpose is to be used to determine if you qualify for educational tax credits. **It is not intended to reflect a statement of taxable income.**
- Reports the amounts paid for Qualified Tuition and Related Expenses (OTRE) during the **calendar year** (January 1 – December 31).
- Is mailed to the student at their local "off-campus" or permanent home address

If you qualify for an educational credit, you should use your personal records and student account activity/tuition statements to determine the amounts that you actually paid toward the charges reported on the 1098-T. Tuition charges are available via your BannerWeb account.

The University of Richmond cannot offer tax advice regarding Form 1098T and recommends you seek the advice of a tax professional.

You may also contact the IRS Public Liaison office at 1-800-829-1040 or visit IRS websites:

STUDENT HEALTH INSURANCE REQUIREMENT

The University of Richmond requires students in the following schools to purchase the Student Health Insurance Plan (SHIP) while enrolled at the University so that an unexpected illness or accident does not hinder student wellness or academic success.

Arts and Sciences

Business (undergraduate only)

Leadership Studies

Law

Students who already have health insurance may waive out of purchasing the SHIP if they meet certain requirements.

Domestic Students

Domestic Students are enrolled in the SHIP on a hard waiver basis. Domestic Students are students who are U.S. Citizens, Dual Citizens of U.S. and another country or U.S. Permanent Residents. This means that each academic year, domestic students are required to either enroll in the SHIP or waive the SHIP by demonstrating comparable coverage based on the University waiver criteria.

IMPORTANT: If you do not act to enroll in or waive the SHIP prior to the deadline, you will be automatically enrolled into the insurance plan and responsible for the semester premium.

WAIVER CRITERIA

You will be asked these questions when you go online to waive the University's Student Health Insurance Plan. Both answers must be "yes" or your request to waive will be denied.

1. My plan is currently active and I agree to maintain health insurance coverage throughout the entire academic year.
2. My plan covers inpatient and outpatient care in the Richmond area.
3. In addition, you will be asked to certify the type of health insurance plan you have (HMO, PPO, Medicaid or Tricare) and must provide information from your insurance ID card.

MEDICAID AND HMO PLANS

Be certain that your plan benefits extend to the State of Virginia. For those students enrolled in state Medicaid plans outside of Virginia, we

strongly recommend that you enroll in the University – sponsored Student Health Insurance Plan to ensure that you have coverage for Healthcare needs when you are away from home.

Please contact Financial Aid if you need assistance with the premium cost.

For those students enrolled in HMO plans, we strongly recommend that you check with your insurance provider to assure continued health insurance coverage while at the University of Richmond. Some HMO's offer guest membership plans which provide healthcare benefits to continue at the same level when away from home. Please contact your HMO insurance provider to find out if this option is available. There usually is no additional charge for this type of program.

FREQUENTLY ASKED QUESTIONS

- **How do I pay my bill?**

There are several payment options. You may use one or a combination of them. *Pay online with an e-check, which is free or with a Master Card, VISA, Discover or American Express card. Credit cards are only accepted on-line. There is a 2.85% convenience fee if you choose to pay with a credit or debit card. *Payment can be mailed to Student Accounts, Box R, 142 UR Drive, University of Richmond, VA 23173. Please include voucher found on ***Printable Statement*** portion of your invoice. *Pay in person with cash or check at the Student Accounts Office 3rd Floor, Queally Center.

*A payment plan through Nelnet Campus Commerce is another option, however there is a deadline each semester to enroll.

Remember that your contract requires automatic scheduled payments. This plan is not for past due balances owed to the University.

- **I made a payment online. When will my account balance reflect the payment?**

You should be able to view your payment immediately on the View and Pay Account page (Current Activity Below tab) on QuikPAY. This information contains real time charges and payments. ***Invoices are only updated monthly.***

- **How do I take care of a hold?**

To pay a financial hold, you can pay your account online via QuikPAY and the hold is automatically released. You can also make a cash or check payment in person at the Student Accounts Office located on the 3rd floor of the Queally Center.

- **Why can't you give me information regarding my child's account? I pay the bill.**

A federal law under the Federal Educational Rights and Privacy Act (FERPA) requires that students provide authorization to Student Account Services before we can release financial information to anyone. We understand that many parents, spouses, or other individuals pay or need to discuss charges on a student's account. **To assist students who want Student Account Services to communicate with other individuals, students must setup an Authorized Payer in QuikPAY or have signed a FERPA waiver on file in the Registrar's Office. Instructions are included on your NEW SPIDER CHECKLIST.**

- **Can I create online access for another person?**

Yes, students can provide online access to designated individuals. *Login to Bannerweb, *select Student Services and then *Pay Tuition and Fees. This will take you to the QuikPAY site. Select "AUTHORIZE PAYERS" and complete the required information.

- **How do I access the QuikPAY system?**

Students access their invoices by logging onto Bannerweb, click on Student Services, and then Pay Tuition and Fees.

Parents access the QuikPAY system – Parents must be signed up by the student to receive invoices. Once signed up, access is via the parent portal at

- **When is my payment plan due to Nelnet Campus Commerce?**

Your contract requires automatic scheduled payments. Monthly payments will be processed according to the payment schedule you select in the enrollment process. Your payments will then be processed on the same date each month.

- **How will UR know that I enrolled in the Nelnet Campus Commerce payment plan?** Student accounts are automatically updated with payment plan information.

- **What happens if my payments are late?**

A hold will be placed on your UR account preventing you from enrolling in future semesters until your account is paid in full. A late payment will be assessed to your UR account if not paid by the first day of the term. If you are enrolled in the Nelnet Campus Commerce payment plan, and your monthly payment is past due by more than 30 days, your payment plan account will be cancelled and you will owe all outstanding amounts to UR immediately.

- **Do I have to notify anyone if I need to update or adjust my monthly payments?**

Yes! Monitor your account by checking your UR invoices each month and comparing it to your Nelnet Campus Commerce balance. If it is determined that you owe more to the University than what is contracted, you can either increase your contract with the payment

plan by calling them at 1-888-470-6014 or you can simply pay the additional amount owed directly to the University of Richmond by the due date on the invoice and continue paying your monthly contracted amount.

- **Can I send my monthly payment to UR?**

No ***please do not do that.*** A payment that we expect from your payment plan but is paid to UR directly makes for inaccurate record keeping. For proper credit to your Nelnet Payment Plan account, all payment plan payments require automatic scheduled payments determined at the time of enrollment.

Miscellaneous charges will be invoiced to you monthly and that payment should be paid directly to UR as it is not part of your contracted amount with the payment plan.

- **When will Nelnet Campus Commerce send my payment to the University of Richmond?**

Payments are reflected on your account in real time. Please remember that your contract will be cancelled if payment is past due by 30 days. If this occurs, you will owe all outstanding amounts to UR immediately and be subject to UR's late payment fee policy.

- **Does Nelnet Campus Commerce have access to my University information or prepay my account balance?**

No – they do not prepay your bill nor do they have access to specific details on your particular UR account.
